To Whom it may Concern,

My name is Jun Yang, I am the English translator for DATA99 Technology (www.data99.com) which owns Azure Tech, Zero DDOS, and Clear DDoS. We are a reseller of webhosting services for many companies across the globe, and our company is located in China. We had received several complaints about a customer hosting illegal copyrighted contents from CCTV/TVB from the lawyer firm and our staff had took actions to disable them within 48 hours after it was received. Due to insufficient english, some staffs just removes the content without properly replying to the lawyer firm. We cancelled ALL of the services associated with the client with our ISPs and did not take any more orders from the associated client. We had ask the lawyer firm if there was any of the contents still hosted and never got a response, so I am not sure if the client had used any other names to sign up with us. We comply with all regulations and do not condone ANY illegal activities. We do not have a physical address in the United States. Please let us know if there is anything else we can assist in this case, the lawyer firm can contact email at support@data99.com

17 of Service detailing the method of service.

18 Within five (5) days after service of the Order, Azure Tech, Zero DDOS, and
19 Clear DDOS shall each file a report with the Court detailing compliance with the
20 Court's Permanent Injunction Order. If no report is timely filed or any of Azure
21 Tech, Zero DDOS, and Clear DDOS fails to comply with all aspects of the Court's
22 Permanent Injunction Order, that Non-Compliant ISP shall pay to the Court a
23 sanction of \$1,000 per day for each day that no report is filed and/or that Non-
